3. Request for waivers/variances: (Cont'd.)

Applicant seeks a waiver of Part 710 Uniform System of Accounts ("USOA") for Telecommunications Carriers because Applicant currently maintains a single set of its books and records according to the Generally Accepted Accounting Principles ("GAAP"). Accordingly, Applicant requests the waiver to avoid the burdens associated with maintaining two sets of books. USOA was designed for an older form of rate base regulation that has little value in the current telecommunications environment. Moreover, for companies other than ILECs, GAAP is the standard accounting method and one which provides sufficient detail for easy comparison between telecommunications companies. Applicant understands that a waiver of this requirement will not excuse it from compliance with future Commission rules or amendment of Part 710 that are otherwise applicable to the Applicant.

Finally, Applicant seeks a waiver of ILL ADMIN CODE title 83 Section 250.10, which requires public utilities to keep books, accounts, records and memoranda within the State of Illinois. Applicant maintains its books and records at its offices in Pennsylvania. Should it be necessary for the Commission to have access to those books and records, Applicant will facilitate such access expeditiously and at its own expense.

4. For all applicants requesting local exchange authority under Section 13-404 or Section 13-405, please complete the following:

- (a) the Standard Questions for Applicants Seeking Local Exchange Service Authority found in Appendix A of this document
- (b) the 9-1-1 Questions for Applicants Seeking Local Exchange Service Authority found in Appendix B of this document;
- (c) the Financial Questions for Applicants Seeking Local Exchange Service Authority found in Appendix C of this document; and
